

JOIN THE GREEN PARTY!

I'm delighted to introduce you to Eight Ash Green Cricket Club and to invite you to join 'The Green Party'!

WHERE HAVE WE COME FROM?

Eight Ash Green Cricket Club came into being shortly after the second world war, when a group of cricket enthusiasts cleared an area of heathland. Our first match took place in 1948 and we still play on the same unspoilt location.

Our club has a three youth teams

Great facilities and club atmosphere

Our pavilion was built by members and was opened by Sir Len Hutton on 26 June, 1960. We have extended the pavilion twice to add new changing rooms and showers and again when a new bar, kitchen, umpires room, lounge and grounds storage were added.

WHERE ARE WE NOW?

In the last seventy years, our club has grown from fielding one side in friendlies, to nine sides competing in leagues. We run three senior sides at weekends and one in mid-week, one women's team, three youth teams and two Kwik Cricket teams.

Our club remains a popular one due to the ethos instilled by its founder members i.e. compete hard but fair, but win or lose - enjoy it. Our club values are strong and sustainable and we are proud to be the world's first carbon neutral cricket club.

WHERE DO WE WANT TO BE?

A large and vibrant Youth Section is vital to any cricket club and we'd like to recruit more players at every youth age group. We will need more coaching and off-field support such as scoring too.

WHY JOIN US?

We are keen to recruit youth players of all ages and abilities. It's good, fun cricket played in the right spirit with friendly people in fantastic surroundings. *What's there not to like!*
